This matter is before the Court on the Recommendation of Acceptance of Guilty Plea (Doc. 9). On May 30, 2018, Defendant appeared with counsel before Magistrate Judge J. Gregory Wehrman for arraignment. After Magistrate Judge Wehrman informed Defendant of its right to arraignment in the presence of a United States District Judge, Defendant—through its authorized representative, Vice President Richard Rosen—consented to arraignment before a United States Magistrate Judge. Defendant, through counsel, further consented to the Magistrate Judge conducting the Rule 11 hearing and making a recommendation concerning plea acceptance. The consent was knowing, voluntary, and intelligent and occurred with counsel’s advice. The United States also consented.

At the conclusion of those proceedings, the Magistrate Judge recommended that this Court accept the guilty plea of Ohio Aluminum Chemical, LLC. The Defendant has waived Indictment (Doc. 8).

Having received no objections to the Magistrate Judge’s recommendation, this Court **ACCEPTS** the guilty plea of Ohio Aluminum Chemical, LLC and adjudges it guilty of Count 1 of the Information as charged. The Court will consider the Plea Agreement filed in this case

along with the Presentence Investigation Report and any other sentencing memoranda filed by either party prior to sentencing.

IT IS SO ORDERED.
